SUMMARY

A certified Full Stack Web Developer ,with a background in Psychology and music performance/education. Drawn to the problem solving that web development offers in a career, and enjoys working on teams where communication and collaboration is key.

TECHNICAL SKILLS

Technical Languages: HTML, CSS, JavaScript, SQL
Applications: Git, MongoDb, React.js, Node.js, Express.js

PROJECTS

Heroes of Craet

GitHub: https://github.com/AdamJohnson92/Heroes-of-Craet

Deployed Application: https://adamjohnson92.github.io/Heroes-of-Craet/

- A single-player Role Playing Game where you select a hero and slay monsters with that hero
- Built the entire app, including pixel art assets from scratch
- React.js, JavaScript

Work Day Scheduler

GitHub: https://github.com/AdamJohnson92/Work-Day-Scheduler

Deployed Application: https://adamjohnson92.github.io/Work-Day-Scheduler/

- An hourly scheduler to keep track of when tasks need to be completed
- Each hour block is color coded: gray for past events, red for current events, and green for future events
- jQuery, DayJs, Bootstrap

Dolly

GitHub: https://github.com/Tmollerhoj/Dolly
Screen Capture: https://drive.google.com/file/d/1BCYjfl61L8OlwWnbXwRum9hWHovmhxvt/view

- A clone of Twitter, where Tweets are Bleets
- Built and Managed all of the API routes for full CRUD
- JavaScript, Express.js, Node.js, Handlebars, SQL and MySQL2, Heroku
- Application currently not deployed

Client Success Manager   2021- 2023
Soundblock LLC   Phoenix, AZ

Responded to user support tickets quickly and efficiently. Worked closely with the web development team to identify bugs and opportunities to improve the platform. Communicated directions for future development to management. Educated users with a wide range of technological experience about using the platform effectively.
- Launched platform for live open beta testing with users
- received consistent positive feedback from users regarding quality support
- Worked to prevent users from misusing the platform to upload intellectual property they did not own

Customer Care Representative   2020-2021
CVS Caremark   Chandler, AZ

Educated patients about their prescription drug benefits. Communication was clear and concise so as to ensure that the patient felt equipped with a better understanding of their benefits. Engaged with a work environment that required adaptability in using new software and being prepared for standard operating procedures to update and change.

Percussion Instructor   2020-2021
Coronado High School   Scottsdale, AZ

Worked closely with a team of fellow educators to address areas of improvement for students in the music program. Coordinated efforts to engage with students on their level to expand their abilities as musicians, performers, and members of a team.

EDUCATION

Full Stack Web Development Boot Camp Certificate: Arizona State University, Tempe, AZ

An intensive program focused on gaining technical programming skills in HTML5, CSS3, JavaScript, JQuery, Bootstrap, Node.js, MySQL, MongoDB, Express, Handelbars.js, and ReactJS.

Bachelor of Science in Psychology: Arizona State University, Tempe, AZ
